Food Allergies & Intolerances -
we will be happy to advise you

All our dishes are freshly cooked to order by our team of chefs, and most of our sauces are homemade, and whilst we do understand the need for (and strive for) speed, at peak times a delay is inevitable, we appreciate your patience and understanding.

Who we are

John qualified as a chef during a 4 year hotel management course at the Birmingham College of Food & Domestic Arts, (now Birmingham University). After 12 years of employment with large hotel groups he became self-employed along with Janet in 1973. We had our own country hotel and restaurant in the UK until we moved here to Cala Bona in 1987 and opened this restaurant. John retired in 2007 and Janet in 2019. Son Lorne (aka John) along with wife Yoli are now at the helm. Lorne having grown up in the restaurant and worked front of house since 1998.
